2021-2022 Twisters Gymnastics Advertising Banner Program

The purpose of the Advertising Banner Program is to provide a means to offset your individual gymnastics cost. It is open to all Twisters Gymnastics parents (**Team and Recreational**) and to any business without a gymnast in the gym. The business banner payment shall be applied to the General Team Fund, however, participation is optional. Team parents can use banner funds as a credit to your individual team account. The credit can be used to cover annual fees, meet registration fees, monthly tuition, and even athlete travel. **Please be reminded that all credits are final.** No banner refunds shall be permitted when separation from the gym occurs or otherwise.
